***1. Scope of Work***

This amendment reduces the amount of funding for this project by \$28,630 based upon reductions in the Energy Efficiency and Conservation Block Grant (EECBG) award from the U.S. Department of Energy (DOE).

The match funding represents 10% of eligible applicant allocations in pooled applications. These funds may be used for any approved energy efficiency and/or conservation activities in the DOE EECBG application or the administration of those activities. The table below details the tribes and allocations applied for by Association of Village Council Presidents (AVCP) and the calculation of Denali Commission match funding.
